

# MARY HAEDRICH

(631) 983-7978 | mary.haedrich@gmail.com | mary.dev

## SKILLS, TOOLS, & TECHNOLOGIES

HTML, CSS, JavaScript, SvelteKit, React, GatsbyJS, NextJS, NodeJS, GraphQL, Github, Figma, Conversational Spanish

## EXPERIENCE

mary.dev, *Freelance Developer* Apr 20 - Present

- Designed, created, and launched an independent web design and development studio.
- Curated a portfolio of personal and professional works to showcase understanding of relevant web design tools and technologies.
- Launched and managed multiple web businesses as an independent developer.

ScribeAmerica, *Implementation Manager* May 18 - Apr 20

- Ensured the timely and successful delivery of services according to client needs and objectives.
- Recruited, interviewed, hired, trained, and terminated employees as needed for each project.
- Communicated with physicians, facility human resources, IT, and other facility liaisons to coordinate services and ensure all regulatory and compliance needs were met.
- Documented patient history, physical examination, laboratory results, medications, and radiology notes as verbalized by the patient and provider.

Sticker.com, *Communications Specialist* May 15 - May 18

- Verbalized, tracked, and facilitated achievement of internal goals between team members.
- Assisted customers and potential clients with custom label quotes and answered questions about order status and tracking.

Fordham University RamVan, *Driver* Sep 14 - May 17

- Safely transported students, professors, and other Fordham community members between Fordham campuses in Manhattan, the Bronx, and Westchester.
- Engaged with passengers to ensure they had an enjoyable experience riding in my van even if we were stuck in bumper to bumper traffic on the Cross Bronx Expressway
